

Meet Our Trainers

Luke Frievalt ACE CPT, GFI

I have been a certified ACE fitness personal trainer since 2019. Health and fitness became a passion of mine since the first time I walked into the CYCC. I loved the fun and uplifting atmosphere, and I knew this place and line of work was for me. I specialize in strength training and group fitness. One of the most important things I have learned since I started my fitness journey is: it doesn't come easy and it doesn't happen overnight. But, with a little help and consistency anyone can better themselves and get into the shape they have always wanted to be in.
