ABOUT US...

The Crivitz Youth Inc. Community Center (CYCC) is a 30,000-square-foot, state-of-the-art facility featuring something for everyone in the family to enjoy, including special programs and activities.

All of CYI's facilities and programs are funded in two parts: The Nancy Buck Ransom Foundation finances operational and direct facilities costs such as buildings, utilities and maintenance. User fees are charged to partially offset instructional staff costs and the costs of supplies. Crivitz Youth, Inc. is a nonprofit, privately funded organization.

KID ZONE:

offers fun, supervised activities for kids ages 4-9 so that parents can engage elsewhere in the center.
